An aerial photograph of a family enjoying a summer day in their backyard. In the foreground, a man and a woman are relaxing on a white lounge chair on a wooden deck. The woman is wearing a white bikini and a large straw hat, while the man is in blue patterned shorts. A small wooden tray with fruit sits between them. To the right, another white lounge chair is empty, with two green towels rolled up on it. In the background, two young boys are playing on a lush green lawn. One boy is standing, and the other is running. The backyard is bordered by a wooden deck on the left and right, and a swimming pool with a blue tile pattern is visible on the right side. The overall scene is bright and sunny, capturing a moment of family leisure.

Local Attractions

Aspendos Ancient City - 22 km

Situated in the town of Serik in Antalya province, Aspendos impresses visitors with its elegant amphitheatre and other ancient remains. The theatre of Aspendos is one of the most magnificent and well-preserved buildings in the world built by the Romans.

Kurşunlu Waterfall – 30 km

Kurşunlu Waterfall is a unique place where a cascade connecting seven ponds falls from 18 m in height against a backdrop of green nature. It is one of the most attractive landscapes in terms of lush plants and picnic areas in Antalya.

Old Town (Kaleiçi) - 42 km

Kaleiçi, the old city centre of Antalya, combines the aesthetics of old and new. In the heart of Antalya, Kaleiçi is one of the most frequently visited areas of the city with its historic buildings, entertainment facilities, hotels, restaurants and bars.

Side Ancient City - 48 km

Side is among the best known ancient cities in Turkey. The amphitheatre built on colonnaded arches is the biggest in the area. Among the ruins are the agora, a gymnasium, the Apollo Temple on the seaside, fountains and the necropolis.

Perge Ancient City - 24 km

The magnificent ancient city of Perge is set amidst the beauty of Antalya. It is located 2 km away from the main road of Antalya - Alanya and 15 km from Antalya city centre. Visitors can see some of the excavations continuing on the site.

Hadrian's Gate - 39 km

Hadrian's Gate (Three Gates) was built as the main gate of Antalya during the reign of the Roman Emperor Hadrian (117-138 BC). The gate today stands in its old glory and is one of the best-preserved historic structures in Antalya.

Antalya Museum - 42 km

Located in Konyaaltı, the Antalya Museum or Antalya Archeological Museum is one of Turkey's largest museums. It includes 13 exhibition halls and an open-air gallery. It covers an area of 7,000 m² (75,000 sq ft) where 5,000 works of art are exhibited.

Termessos National Park - 61 km

Gulluk Mountain (Termessos) National Park is one of the most spectacular areas in Turkey, situated at the foot of the Taurus Mountains to the north-west of Antalya. The national park is 34 km away from Antalya city centre.

Health - Safety - Environment

Hotel Safety And Security

Regnum Hotels are the first and only resort hotels in Turkey to have been awarded the Safehotels Executive Certificate, the highest degree of certification granted by Safehotels, a global hotel safety certification company that performs audits in 60 countries worldwide. Contents of Safehotels certification: Hotel Property and Guest Security / Process, Procedure, Training and Management / Security Equipment/ Fire Equipment / Fire Procedures and Training / Crisis Management

Guest Rooms

Regnum Hotels are the first hotels in Turkey to implement The Hygienic Room Program by Diversey Consulting, one of the world's leading companies for hygiene solutions, as well as the first hotels awarded with certification. Regnum Hotels are certified by the Potema bed cleaning system, the world's only registered bed cleaning service.

Food Safety

We apply the ISO 22000 Food Safety management system in our facility where every process from the acceptance of food to its presentation is continuously monitored by the Food and Environmental Engineers in our company. Regnum Hotels have been audited at all stages from the acceptance to presentation of food products and has been certified by ISIS Turkey (International Inspection System). Contents of certification: Bars, kitchens, food production areas and food storage rooms, monthly checks and reports

Swimming Safety

Fully trained lifeguards are on duty at all times during red & yellow flags at the pool and beach

Well-being Centre, Gym, Kids Club Hygiene

Regnum Hotels are the first hotels in Turkey to implement and receive certification for Diversey Consulting's The Hygienic Well-being & Gym Audit and The Safe & Hygienic Mini Club Audit programs. Regnum Hotels are the only

accommodation facility in the Mediterranean Region that still continues to implement these programs.

Hotel Hygiene

To remain compliant with WHO and CDC guidance, Diversey provides the necessary hygiene audits that maintain the highest levels of cleaning and disinfection for keeping employees and guests safe.

Laundry Hygiene

Professional laundry service is provided on site. All hotel textiles and laundry are washed by our expert team by taking cross contamination measures. Diversey Clax Personril, a chemo-thermal disinfection product recommended by international authorities for hygienic washing, is used for laundry and for cleaning room textiles

Electric, Fuel & Power

The hotel operates on 220 volts and 50 hertz. In the event of disruption to the electricity supply, the hotel's total 5750 kVA emergency generators will automatically operate, to ensure that all fire & life safety equipment will continue to operate. The fuel oil tank of the emergency generator can keep the generator running for 36 hours. Our facility generates a total of 6,519 MW of electricity with a trigeneration system.

The Solar Power Plant (SPP) project generates approximately 18,000 MW of electricity annually.

Water

The distributed water complies with the World Health Organization standards for water. The hotel has at anytime a 2 days storage supply of water. The hotel has Water Safety certified by ISIS Turkey (International Safety Inspection System) Contents of certification: Pools, water storages, water system and Legionella monthly check and report

Emergency Care
